2023-01-30 04:15:16.347603   You can find all the information here:
        ./profiles.csv

2023-01-30 04:15:16.347757   Finishing execution...

Total time consumed: 0:00:16.342715
Average seconds/query: 8.1713575 seconds

Did something go wrong? Is a platform reporting false positives? Do you need to
integrate a new one and you don't know how to start? Then, you can always place
an issue in the Github project:
    https://github.com/i3visio/osrframework/issues
Note that otherwise, we won't know about it!
